**Subject:** Updated OPP Update for Aldicarb and Strep Citrus  
**Importance:** High

Hi All,

Please see the revised draft of the OPP Update and let me know your edits/changes as soon as possible so I can run it by RD management again before sending it through my management chain.

I think I'll draft some internal Q&As for Strep Citrus for your review and flesh out the aldicarb ones. Those can be used when we get questions from reporters on these actions.
